dated 7th March

Sir,

Subject: Establishment - Industries - Silk Filatures,
Kollegal - Assistant Managers - Scales of pay -
Development Secretary's D.O.No.

As Government are aware, the two filatures at Kollegal - The Government Silk Filature and the Kollegal Silk Filatures - are provided each with an Assistant Manager. The scale of pay of the Assistant Manager, Kollegal Silk Filature is Rs.140-190 while that of the Assistant Manager, Government Silk Filature is Rs.165-210 - Vide G.Os.No.1351, Ms., Development, dated 3-7-1943 and No.Ms.456-M, Development, dated 26-10-1942. The duties and responsibilities of these two posts are the same, and it is necessary that the pay of the posts should be uniform. It is also desirable in the interests of efficiency, that the incumbents of these two posts should exchange places whenever necessary. In the circumstances, I suggest that the pay of the post of the Assistant Manager, Kollegal Silk Filatures be revised to Rs.165-10/2-195-15/2-210. The corresponding pre 1938 scale of pay recently restored is Rs.175-10/2-195-15/2-226 and I recommend

that this scale of pay be sanctioned for the two posts of Assistant Manager referred to above.

Sir,

Sub:- Establishment - Silk Filatures at Kollegal -
Posts of Assistant Managers - Revision of the
scale of pay to pre 1938 scales.

Ref:- Memo.No.64789-D/44-1, dated the 14th November

In my letter No.935-D/44, dated 7th March 1944, I submitted proposals for the equalisation of pay of the two posts of Assistant Managers of the Government Silk Filatures and Kollegal Silk Filatures as the duties and responsibilities of these two posts are the same and incidentally, I also recommended that the corresponding pre-1938 scale of pay be sanctioned. Since the scale of pay for the post of Assistant Manager, Kollegal Silk Filature was not the same as that of the Government Silk Filatures on 1st September 1943, I did not propose restoration of the pre-1938 scale of pay with retrospective effect to the former post. The omission of the post of Assistant Manager, Kollegal Silk Filatures from

the proposal for a similar concession is intentional. As regards the post of the Assistant Manager, Government Silk Filatures, I did not originally propose the revision from any particular date as I thought that Government would restore the pre-1938 scale to this post with effect from 1st September 1943 as in all similar cases.

Proposals relating to the same subject are always submitted to Government for consideration in a consolidated form wherever possible. As the proposal referred to in my letter cited was mainly concerned with altogether a different subject, viz., equalisation of pay, it was separated from the general proposals sent in my letter No. 5022-E/44, dated 4-4-44. There are no temporary posts in the department in respect of which the orders in G.O. No. 3411 Public (Services) dated 24-11-43 have still to be extended.

2. In May 1943 when the proposals for the acquisition of the buildings and machinery belonging to the Kollegal Silk Filature by the Government were under consideration, the Director of Industries and Commerce proposed a scale of pay of Rs.100-10/2-150 for the Assistant Manager to be appointed for the factory. Later in the month he proposed that the scale might be Rs.140-190, instead of Rs.100-150. In that connection, it was observed that the pay allowed to the Assistant Manager in the Government Silk Filature (a different Factory) was Rs.165-210 and that it was a considerably bigger ^{factory} with 500 basins as against 150 basins in the Kollegal Silk Filature. However, in view of the need to get a competent hand the scale of Rs.140-190 was accepted by this Department. In addition to the Assistant Manager on Rs.140-190 the post of a Senior Assistant Manager on a fixed pay of Rs.300 ~~was~~ also sanctioned for the Kollegal Silk Filatures. But it is understood from Development that this post has ^{since} been abolished. In view of this and also of M on page 1 C.F. Finance may agree to the proposals at ^{on p/1} K above.
